Mr. Bob Kenefick,
Syracuse Journal,
Syracuse, N. Y.

Dear Sir:

I am writing to find if you are interested in arranging some Negro National League games this year. I am the owner of the Newark Eagles, the team that played the Homestead Grays in Syracuse last year.

I would like very much to come to Syracuse whenever it is possible with the League Team in order to play League series. We arrange a series of five games a week with each team we play, but it is impossible to play all five games in any one City, therefore we find two or three towns in which we draw well and the people seem interested and complete the series in that way.

I am sure you will find all of our games to be just as well played and interesting as the one the Eagles and Grays played.

Will greatly appreciate hearing from you on this as soon as possible.

Very truly yours,
